

SORAYA

Distinctive Multi-Cultural Events

As New England's only full-service, multi-cultural event planner, Soraya Events specializes in fusion and authentic cultural traditions from all over the world.

Raised in a multi-cultural, multi-faith home, founder Soraya Belgacem gained a deep understanding and connection with different cultures from a very early age.

Both her mother, a master interpreter of multiple languages, and her father, who came from a diverse ethnic background, taught her how important it was to understand all walks of life, beliefs and family traditions. This appreciation is what Soraya brings to Soraya Events and it guides how she operates and works with couples to give them the best possible experience.

Soraya has produced weddings with roots connected to world regions including Africa, North Africa, the Middle East, Asia, South America and Europe. Her unique ability to authentically resource and create an experience that is true to the culture is what sets her apart. Soraya also provides ethnic catering which enables couples to bring together all the elements of the wedding that contribute to an extraordinary event.

“Hiring Soraya was the best wedding decision we made! She is extremely professional, friendly, organized, and literally takes care of everything!”

~ Anna & Karthik

“When I first started planning my multicultural wedding by myself, I felt incredibly overwhelmed. This led me to contact Soraya which I believe was the best decision we made. She did a fabulous job of integrating both American and Vietnamese traditions into our wedding, while also accounting for our personal style. She is patient, professional, organized, and always kind. Soraya managed to plan a wedding that pleased not only my husband and I, but also our families.”

~ Marvin & Sydney

“Soraya is a gift! We couldn’t have asked for a better wedding planner. She made us feel so comfortable from the moment we started working with her.”

~ Elisha & Neil

“Soraya is absolutely wonderful to work with and provided us with exactly what we needed for our wedding! She is professional, courteous, accommodating to our budget & dietary needs, and is someone who takes pride in the presentation of her work.

We originally contacted her for catering services (she has connections with many great restaurants and chefs and really works with you to build your perfect menu-organizing tastings and hand picking each menu item), but she also helped us with everything from finding a DJ to working with our hotel venue to manage the day-of coordination.

I highly recommend you take advantage of Soraya’s “Day-of Coordination” service. She works non-stop to make sure everything flows smoothly, coordinating with all of your vendors and managing the timeline for your reception. She works so quickly and behind-the-scenes ensuring that everything is perfect!

Soraya is truly the fairy godmother every wedding needs!

Soraya has a great understanding working with multi-cultural weddings. As a fusion Indian/American wedding she was very attentive in accommodating our unique needs. I cannot say enough. Soraya is the best decision you will make for your wedding planning!”
